Katsu Glass Design announces our new ArtGlass range. We provide an exclusive service designing, mounting and installing our ArtGlass product that is both heat and moisture resistant. ArtGlass can be installed in any interior and is suitable for both large-scale commercial and domestic use.

Selection of Images for Artglass

- Simply peruse our PORTFOLIO or CREATIVE SOURCES section of the website.
- Select one or more images for your ArtGlass by clicking on the links to the galleries of the professional artists, designers and photographers we work with.
- You can also design the image with help from Katsu's design team or from one of the top designers.
- Once you have made your selection, contact us for a free, no obligation quote.

- We will measure, customise and install your ArtGlass to ensure it will fit exactly as intended.
- All images are suitable for both large-scale commercial and domestic use.

Katsu Glass Design is responsible for liaising directly with the artists and photographers to organise an image reproduction licence.
